FOR IMMEDIATE RELEASE

Pile Driving on Monte Diablo at Amphlett Boulevard in San Mateo

San Mateo – The California Department of Transportation (Caltrans) has scheduled pile driving in San Mateo on Thursday morning, August 2, 2007, at Amphlett Boulevard and Monte Diablo for Soundwall #6 from 10:00 a.m. to 4:00 p.m., and at North Bayshore Boulevard and Monte Diablo for Soundwall #5 from 7:00 a.m. to 4:00 p.m. The work will start at the south end of the soundwall and will proceed northward. This operation will continue the week of Monday, August 6, 2007 through Friday, August 10, 2007.

Residents near the work area should expect loud banging noises and some vibration for those closer to the pile driving operation. The contractor will have vibration monitoring in place to keep the operation within the threshold limit.

This operation is part of the Highway 101 Auxiliary Lane Widening Project in San Mateo.

Detours will be clearly marked.
